

Germano Family Update

Looking Behind

We are rejoicing in all that God has done over the past few months here in Barahona. We have seen growth in the English classes, and some of our students are now attending the Bible study! This is the main reason why we started these classes. Another blessing came a few weeks ago. While Stephanie was visiting one of the ladies who attends, she told her that she needed to pray for her since she was not saved. Stephanie then took the Bible to show her how she could be saved, and the lady trusted Christ as her Savior! She has already expressed a great desire to study the Bible and to grow as a Christian. Pray for us as we seek to continue discipling her and the others who have become Christians. Also, Tim went with a few missionaries to see and help raise awareness for the new church plants by those trained in the seminary in many cities on the island.

Looking Ahead

We are happy to announce our first service will take place on December 5! Our pastor, Buddy Venable, and his wife are coming down to join us for this special occasion. The people are very excited about this first official meeting. Pray that God would bless it and the baptismal service that follows. Also, a group of teenagers and workers from the capitol is coming to help us this week to canvas for this date and to encourage the youth in the neighborhood with a special youth meeting. We covet your prayers for this special outreach and for the annual national pastors' Christmas activity on December 4. If you would like to get involved in this outreach with the pastors, please let us know. Thank you so much for your prayers for this church plant in Barahona. God is giving the increase as He promised!

God bless,
The Germanos
