

Germano Family Update

Looking Behind

In the beginning of November, we hosted a group of teenagers and adults from the ministry in the capitol. They helped us canvass throughout our area for the new church and a

youth rally, and they joined us for the service on Sunday. We had a good group of teenagers from the community, and Tim was able to share a clear gospel presentation. At the end of November, our pastor and his wife came to help us for our first service. We participated in the national pastors' Christmas on December 4, and most of the pastors and some of their staff were able to attend and receive a Christmas offering and food box. On December 5, we met for the organization of Iglesia Bautista Dios con Nosotros! There was a sweet spirit among those in attendance, and Pastor Venable preached an encouraging message about unity in the church while Mrs. Cindy taught the children. Afterwards, Tim baptized one of the ladies who has been attending faithfully as well as Landon and Elena! Praise the Lord for what He is doing!

Looking Ahead

We are excited about what God has in store for us and for the church in the coming year. We would ask for your prayers as we seek to continue to reach our community of Blanquizales and the city with the gospel. Pray for us also as we reach out to the many visitors we had on the first Sunday. We are thankful that some of them returned the following service. Also, join us in prayer as we will expand our English classes during the next semester. We had to turn away a number of students due to space, but we will offer more classes starting in February. God has used this outreach to connect those in the community with the church. We hope that you have a Merry Christmas and a blessed New Year, and we are praying that God is glorified through you in the coming year!

God bless,
