

# Germano Family Update

## Looking Behind

We have transitioned into our summer schedule here in Barahona. Landon and Elena finished their school year at the end of May and are very excited to be on break (as is their teacher Stephanie)! We wrapped up our youth and adult English classes in June for the first half of the year before a short break during July. Also during June, we started our English kids' camp, and we are excited about the opportunity to build relationships with many new families in our community. Please pray for this outreach that we would have a chance to share the gospel and connect these families with our church. We also held another youth meeting in mid-June, and we are looking forward to more in the future.

## Looking Ahead

Stephanie will hold the first ladies' meeting for the church in July, and the ladies are all very excited about this new outreach. Our Vacation Bible School is at the end of July as well. Please pray for God's blessing in the VBS. We are still praising the Lord for the souls saved last year, and we are so encouraged that they all continue to come faithfully to the church. We are also asking prayer for the continued numerical and spiritual growth of the church. We have seen both in the past two months. Praise the Lord for His working in their lives. One example of this growth is in our outreach. One of the faithful ladies asked Stephanie if she could begin making visits with her in following up with the ladies who have visited the services. Please continue to pray as we follow the Lord's leading in the continued discipleship of the church members.

God bless,  
The Germanos
