

# Germano Family Update

## Looking Behind

We continue to see growth in the church, both numerically and spiritually. It is always exciting to watch the members take what is shared from God's

Word and apply it to their lives. We held another youth meeting in September and ladies' meeting in October, and these groups in the church have really enjoyed these times of study and fellowship. Also, Stephanie's parents visited us during October, and we loved spending time together. Stephanie's mom taught the kids' class, and Stephanie's dad preached a few of the services.

## Looking Ahead

We will host a family activity at the end of October for the church, and we will hold another youth and ladies' meeting going into the holiday seasons. We are beginning preparations for the church's first anniversary service in December. It is hard to believe that we organized the church almost one year ago. Please pray as we continue to minister to those who have been attending as well as those in our city. Most Dominicans are religious, but so many of them are trusting in religion and not in the Savior. Pray for us as we continue to share the truth of God's Word and look to the convicting work of the Holy Spirit in their lives. Pray that God would break down false idols and trust in their lives so that they would realize their need to trust in Christ alone for salvation. The gospel truly "is the power of God unto salvation." (Romans 1:16)

God bless,
